When can my vendors have access and my rentals be delivered/setup?

Since our event sites are separate from the golf course greens, we offer flexible delivery, pickup, setup & strike times.

Is there a curfew? How late can we go? Any noise restrictions?

All events must conclude by 10:00pm. Amplified music has a strict 10:00pm cut-off time.

How many guests can we invite?

Our max capacity for events is 200 at our outdoor sites. | The Lake House can hold up to 45 indoors and up to 150 for the lawn/patios.

Why do I need event insurance?

Event liability coverage may help protect you if you're found responsible for property damage or an injury caused during your event, and many venues require you to have it.

Any vendor restrictions? Can I bring in my own?

While we have an open vendor policy, all vendors need to provide proof of insurance. Your planner will need to be approved by our wedding director. DJs are required to have a minimum of 2 systems (ceremony & cocktail hour/reception).

Is our initial retainer refundable? What's the cancellation policy?

All payments are nonrefundable. If you choose to cancel your date, please request a cancellation form.

Any other costs we should need to know about with Grizzly Ranch?

Grizzly Ranch charges an 18% service charge on food/beverage services and Plumas County standard sales tax of 7.25%. Bar minimum: \$3,500/\$2,500 and bartender fee is \$250 each. No other fees are assessed unless you choose to add any of our "enhancements" or menus which are additional charges.

Do you have restrooms on site?

We have restroom facilities located under our Pro Shop and at our Lake House that can accommodate up to 100 guests. For events 100+, we have some great preferred vendors with an average price of \$900-\$1,500 if you would like to offer more restrooms. We highly recommend Plumas Sanitation starting at \$900 as they are familiar with our property.

Do you have onsite accommodations?

Please reach out to your wedding director for local accommodations and convenient options. Room blocks are offered in Reno where our couples love to enjoy the nightlife for their wedding weekend.

Can my dog be in the ceremony?

Yes! However, we encourage they depart during cocktail hour.

How do we book? What's the payment structure? Can I put a date on hold?

We allow date holds for 7 days with a quote in hand. In order to book, we will send you a contract to review, sign & return with a 50% of the facility fees, non-refundable retainer. The second 50% of the facility fees is due halfway between your booking date and wedding date. Final payment reflecting bar package and any food selections is due 30 days prior to your wedding date, and may change based on your final guest count, bar selection, and/or menu additions/enhancements.

All payments may be made via cash, check, or credit card. Credit card payments incur a processing fee. All payments are non-refundable. i.e. for a Saturday in September 2025 Wedding:

Initial Retainer(50% of facility fee to reserve date) & Contract Signed on March 25th, 2025

Second Payment(Remaining 50% of facility fee) Due on June 25th, 2025

Bar Package, Enhancements & any food selections Due on August 25th, 2025

Wedding Day on September 27th, 2025

Can we do a sparkler exit?

As we are surrounded by nature, we do not allow sparkler exits. However, dancefloor cold sparklers are welcome.

Can our guests swim at the Outpost pool ?

No. The Outpost is for Grizzly Ranch community members & their guests.

What if it rains...or snows?

We highly recommend securing a tent - Camelot Party Rentals is a great resource. We do not provide a rain plan and this is a HUGE reason we require you to have a planner that can assist in making these decisions and manage these logistics while offering guidance on your budget.

We are interested in a shuttle to bring our guests from Reno, can the property accommodate this?

Absolutely! We highly recommend Reno Tahoe Limousine or Amador Stage Lines.

What's the closest hotel? Any hotel partnerships we should look into?

On-site cabins, or we highly recommend the Whitney Peak Hotel Reno, Tapestry Collection by Hilton or Renaissance Reno Downtown Hotel & Spa. River Pines in Graeagle or local cabins & Air BnB's.

Is the property wheelchair accessible?

Most of our property is wheelchair accessible; however, there are some locations with uneven surfaces and gravel. We are HAPPY to provide golf cart chauffeuring for any guests needing assistance.

Can we do an engagement photo shoot on the property?

Absolutely! Please reach out to our team to schedule the best time without golf interference.

Can we get a group rate for golf for our guests?

Yes! We offer a discounted group rate for our wedding bookings & their guest list. Rates are guaranteed, but tee time availability is first come first served with our online reservations. We highly recommend booking tee times in advance.

Do you have Electric Vehicle chargers on site?

We do not have EV chargers on site; however, there are charging stations located in town at 150 Commercial Street, Portola, CA, 96122, just 5 miles away.

Do you provide any decor, tables, chairs, etc.?

We encourage creative freedom, innovative designs and personal touches. With a strong list of preferred vendors including planners/designers, florists & rentals - Grizzly does not include rental items. However, we do provide power, golf carts to vendors, guest chauffeuring as needed and our Lake House bar and restaurant furnishings.

Will people be golfing on my wedding day? How does this work?

Guest arrival is at 4:00pm. Golfers will not interfere with the wedding sites. We have strategically configured our golf schedules. Golf should respectively conclude around 5:00pm, but this is not guaranteed.

How much should I budget to have my wedding at Grizzly Ranch?

With so much creative freedom we do have an open vendor policy. The below is a general list of vendors & items you may want to budget for. The average wedding at Grizzly ranges between \$50,000-\$80,000.
